## WHAT THE INDUSTRY HAD TO SAY

“

It presented an excellent chance to discover new products and technology, engage with our suppliers and potential clients, and establish connections within the coatings community in the Asia Pacific region. It was an impressive edition of the Asia Pacific Coatings Show and we look forward to returning for the next edition.

**Frederic Moreux**

VISITOR

“

It has been an amazing experience at the Asia Pacific Coatings Show so far. The event has given us the perfect opportunity to network with suppliers, future clients, and industry experts as well as engage in technical conversations and offer solutions.
